Today- 9am or 10:45am

Pastor Mesh will be finishing his sermon series.

Our service is first come, first serve basis so try to arrive a bit early to guarantee your spot.

Currently we must limit our numbers to 15% of our fire code building capacity as mandated by our provincial government. There is also still a mandatory mask requirement in all public indoor spaces, so you will be required to wear a mask while in the church building.

If you feel unwell, we encourage you to stay home, think about the safety of others and not wanting to spread what you may have to others.

As of May 2nd we will be moving to 2 services on Sunday mornings to allow us to accommodate for more wanting to attend our in- person services while still staying within our limits put in place by the government. So, either join us at 9am or 10:45am!

If you're looking for something different to do with your kids at home while our #'s are limited Sunday mornings and Sunday School classes for the kids aren't happening, check out [Village Kids Online](#) for updated weekly Sunday School content that is great for kids aged 2-grade 5.

Prayer Requests:

~Pray for protection for our families, friends, neighbors & missionaries. Pray for those unwell.

~Continue to uplift Pastor Mesh and family in prayer. Pray for our elders and ministry leaders. Pray for our leaders in government.

Join us for our special Mother's Day service next Sunday, each mom in attendance will receive a lovely perennial plant that can be re-planted to enjoy all summer long.
